at NEW ALBANY HIGH SCHOOL

IN NEW ALBANY, INDIANA

as pictured in the

1954 VISTA

A Century of Progress . . .

Scribner High School was located at West First and Spring streets.

Female High School was located at the corner of Spring and Bank streets.

Junior High School, the third high school building, stands at East Sixth and Spring streets.

. . . has passed since the first Monday in October, 1853, when New Albany opened Scribner High School, its first high school.

A path of many obstacles challenged the success of this institution.

Because of an 1855 Indiana Supreme Court ruling which declared school support to be unconstitutional, Scribner High School was closed.

When in 1858, the Supreme Court reconsidered its verdict, the school began irregular operation. Again in 1862, the school was interrupted when the building was rented to the United States Government as a hospital for the Civil War wounded.

In 1870, because of custom, the boys and girls were separated. This arrangement continued until 1880, when the boys joined the girls at Female High School.

The present junior high building became the high school from 1905 until 1927, when the present building was erected and began operation for students of the four secondary grades.

High Academic Achievement

A few members of Miss Bobb's biology class gather around and take notes as they study stagnate pond water through a microscope.

Paul Smith holds a pose as an art class studies him intently.

Mr. Hartman offers some advice to a student in an office practice class.

Members of Mr. Smith's geometry class watch as Jim Clapp explains a problem to Joe Wampler and Virginia Schroeder.

Mrs. Scott's history class members identify strategic seaports on the map.

A physics class watches as Mr. Summers conducts and explains an experiment.

. . . has been the constant goal of New Albany High School. From the beginning the course of study has required that each student partake in the subjects which are essential to a successful high school career.

The original course of study of the high school consisted of two curricula; English and Classical. Included in these courses were studies of the Constitution of Indiana, surveying, navigation, zoology, English, penmanship, different phases of arithmetic, and many other subjects.

As compared with the first course of instruction, the present plan of work, consisting of six curricula, offers education in the following fields: Academic, Business Education, General, Vocational, Vocational Agriculture, and Vocational Home Economics.

New Albany High School has come a long way since the first course of study was offered, and we are proud of its first century of progress.

In the vocational agriculture building the boys learn the vocation of their choice.

These home economics students peer cautiously into the oven to check the biscuits they are baking.

Mr. Ross checks a lathe in machine shop for accuracy.

Vocational Skills . . .

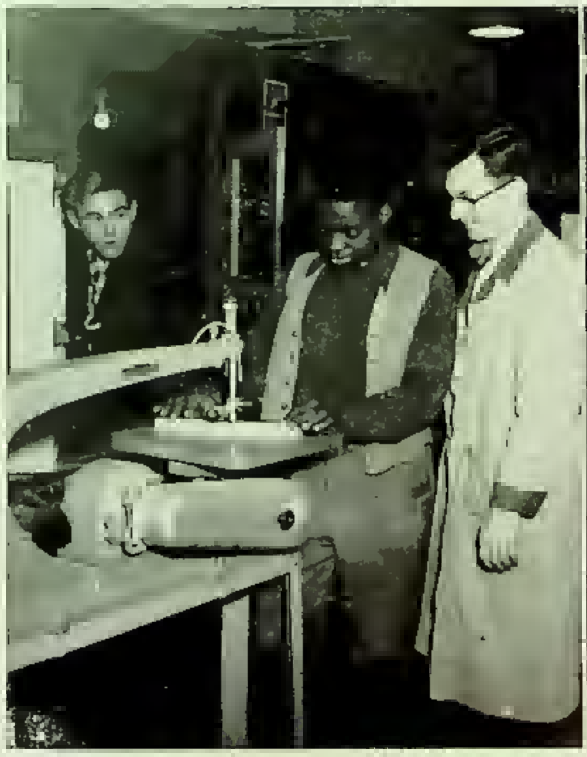
. . . are developed in the modern workshops of NAHS. Education is offered in our well-equipped shops and classes to better prepare students for their chosen vocations.

The Blotter, our NAHS newspaper, is a sample of the work done by our modern print shop. The print shop, like the school itself, has grown in size, importance, and up-to-date improvements. Beginning in 1911, the shop had limited and irregular operation until 1927, when our school moved to its present location. The linotype, added in 1946, brought the print shop up to industrial standards, and helped it to meet the needs of a growing school.

The history of our print shop is just an example of how our school has progressed vocationally as well as academically. Our wood shop, machine shop, vocational agriculture, and home economics courses also have histories which display the desire to better our school and our community.

Members of a sewing class demonstrate their skill in making their own clothes.

Left: Mr. Fisher instructs a student in woodcraft skills. Right: The print shop always buzzes with activity as the students learn the printing vocation.



For entertainment in our city we turn to our auditorium for plays, musicals, and educational programs.

A City within Our School

. . . has been developed during the one hundred years of the existence of NAHS. Operated by both the students and faculty, our city carries on many functions.

We have our bookstore to provide us with the books and supplies we need to make our school day complete.

Our auditorium offers the best in educational and entertaining programs for the pleasure of the students.

WNAS-FM is the radio station owned and operated by the students and was the first of its kind in the country. It serves as a place where we can gain confidence in ourselves and develop our personalities.

The library of NAHS serves 1800 students as a source of information and as a place of study. It is considered one of the best school libraries in Indiana.

Our cafeteria offers the best in good meals for the students of NAHS, and our clinic serves those who need medical care during the school day.

These are a few other examples of the progress NAHS has made in the past 100 years. We, the citizens of NAHS, are indeed proud of our school city.

Left— Last minute supplies are being purchased at the bookstore by these students before beginning their school day.
Right— The crowded lunch line is a familiar scene during the noon hour.

Our library is thriving with activity during the day. It is the center of knowledge and information in our school city.

Recognition Was Achieved . . .

Honors Were Bestowed . . .

. . . by the students upon four of our NAHS beauties.

First to be crowned this year was the football queen, Sue Lefler, a 5' 1" junior. Escorted by Bill Swift, the queen was elected by the student body. Active around NAHS, Sue was a cheerleader for two years, a member of Bel Canto, Choir, and feature editor of the Blotter staff.

Both prom queen and homecoming queen, Judy Switzer reigned over the Centennial Prom and the first homecoming celebration. She was a member of the Blotter staff, the French Club, the Photography Club, and produced and appeared on "Teen Time." Tom Walker was Judy's proud escort at both occasions.

Sue Longest, a 5' 5" senior, was escorted by Dan Mook when she was presented with the crown which named her the 1953-54 basketball queen. Sue produced the choir program on WNAS, was a member of the National Honor Society, Speakers, Bel Canto, and received the Altrusa award for unselfish service to the school.

To reign over the Centennial Week Celebrations, Martha Peck was elected by the student body as centennial queen. Escorted by Ned Kerr, Martha was the guest of honor at the Centennial Banquet and the dance following the banquet. Mart was Editor of the Vista, a member of WNAS radio staff, Speakers, Alpha Tri Hi Y, and received the Daughters of the American Revolution Citizenship medal.

The cast of the senior class play, "The Late Christopher [illegible] goes through the final act at dress rehearsal.

A never-forgotten occasion was the Centennial prom held in the beautifully decorated Continental Room.

Plans and memories were discussed at the annual senior party sponsored by the Davidsons.

Many Good Times . . .

. . . have been enjoyed at NAHS. The everyday high school activities have been spiced with many extra curricular events.

This year many "firsts" were added to the school calendar. Students enjoyed the first Freshman-Sophomore dance, sponsored by the Student Council; the first summer yearbook, "The Vista," which gave a full account of the year's activities; and the first Homecoming Celebration, commemorated by a parade, a football victory, and a dance.

The annual occurrences remembered especially by the NAHS seniors were the many plays, the concerts, the Junior-Senior Prom, classday, baccalaureate, senior week activities, and the final step, commencement.

But the things most remembered by the seniors are the friendships that were formed during the four years at NAHS — the friendships that continue for so long after graduation.

Jim Henry, Marcia Wrege, Mary Lou Gibson, and Ted Graver form lasting friendships as they pause between classes.

At noon the front hall is a popular meeting place for many students.

One of the many singing groups around NAHS is the "Flat-Tops," consisting of Rodney Pennell, Don Adams, Jim Clayton, and Sherrill Colvin.

The gym was transformed into a dining hall for the over 2,250 alumni and guests attending the Alumni Banquet.

Left: Justice Minton receives a kiss from the oldest graduate attending the Alumni Banquet. Mrs. Scott is a member of the Class of '78.
Right: Mayor Erni and Joe Binford join Mr. Davidson in welcoming Supreme Court Justice Sherman Minton, honored guest at the banquet.

Memories Were Relived . . .

. . . at the pageant, the banquet, and the other centennial festivities by the alumni and students as Indiana's first public high school commemorated its one hundred years of service.

Written by faculty members Calvin Knobeloch and Fielder Myers, the centennial pageant presented the history of NAHS. Over 200 students participated in this presentation.

Many former students renewed old friendships and made new acquaintances during the Alumni Banquet. The banquet was attended by over 2,250 alumni and guests and was highlighted by the presentation of an oil painting of Supreme Court Justice Sherman Minton, who was guest of honor. Alumni and students enjoyed the dance which followed the banquet.

Other festivities of the year included the PTA presentation "This Is Your Life, NAHS," showing the many achievements of our high school. This program wes written by Mr. Marvin Oakes and featured outstanding figures of the high school's history.

In Memorial . . .

. . . to Charles Gordon Raney, who served New Albany High School from 1946 to 1953. For seven of those eight years he was Dean of Boys and basketball coach. In his final year at NAHS, Mr. Raney was assistant principal. In the fall of 1953, he was appointed principal of the New Albany Junior High School, a position in which, because of his fatal illness, he never served.

Loved, respected, admired by all who knew him, Mr. Raney was one of the most prominent basketball coaches in the state, twice leading his NAHS teams to the State Final Tourney. He was the ideal of countless boys who sought his guidance as coach, friend, and counselor.

NAHS is a better place in which to learn and New Albany a better city in which to live because of the example of his life.

For his friendly smile, for his sterling character, for his love of good sportsmanship, for his devotion to all that was fine and beautiful in life, and for his inspiration to hundreds of NAHS boys and girls, we pay humble tribute.

Left: Mr. Raney, shortly after retiring from his coaching position, congratulating Coach Givens. Right: Mr. Raney is seen beginning the daily announcements, one of his duties as assistant principal.

Activities . . .

. . . have played a big part in the progress of New Albany High School during its 100 years of service.

Following in the footsteps of the clubs before them, the organizations of NAHS offer many services to their school and community. Each year underprivileged families receive help and friendship at Thanksgiving and Christmas time, audiences are entertained by club productions, and the community's charitable campaigns are aided by NAHS club members.

The first club to be formed at NAHS, Wranglers began in 1910. Wranglers, like the other clubs of the school, helps students to gain experience and leadership in cooperating with one another.

Forty-two clubs are now working to serve our school and community by helping to make it a better place in which to live and work.

Musical productions are nothing new to NAHS—here is a scene from the 1905 musical, "H. M. S. Pinafore," by Sir Arthur Sullivan.

Members of the 1924 Hi Y club indicate that they are indeed "high Y" members.

High School Parliament

The Student Council is composed of one representative from each home room. These representatives are elected by the members of the home room. A representative must maintain a "C" average in order to remain on the council.

The council serves to promote desirable student-faculty relationships and to develop student responsibility, initiative, leadership, and school pride.

This year, as in preceding years, the Student Council sponsored a magazine drive. The money received from this drive was used to help pay for curtains in the auditorium. The Student Council has also purchased two television sets and two water fountains with proceeds from the previous magazine drives.

The main project of the Student Council this year is the construction of a Teen-Center for the students of NAHS. This center will probably be in operation within the next two years.

A suggestion box has been placed in the main hall. Students may drop suggestions, compliments, or complaints in this box.

Refuse cans have also been placed throughout the halls. This is to eliminate excessive amounts of paper on the floor.

The Speakers are one of the most ambitious groups in school, carrying on many social and charitable functions.

This past year the club gave a Thanksgiving play and a Christmas play; and as the tradition at NAHS, the Speakers' Santa Claus distributed presents and created laughs after the Christmas play.

During the Polio Drive members of the Speakers Club collected money for the Polio Fund.

The Debate Club was organized in October of 1952, by Mr. Calvin Knobeloch, the present club sponsor.

The purposes of the club are to preserve the art of argument and to further interest in public speaking, debate, civic affairs, and parliamentary procedure.

The Debate Club met every Thursday. During the meetings, four members were assigned a topic for discussion, and then they gave their debate the following club meeting.

Activities of the year included an exchange debate with Jeffersonville on January 13.

Bob Wright and Ted Graver, both seniors, represented NAHS. The discussion was: "Resolved that two years of speech should be required in all high schools in Indiana."

So You Want To Be a Brain

New Albany High School encourages high scholastic goals which result in students striving for that cherished scholarship "N."

To receive one of these N's, a student must, if carrying five subjects, have at least four "A's" and nothing less than a "B." If one carried only four subjects all grades must be "A's." These "A's" must be in solid subjects only.

Every student who receives an "N" can be called a top NAHS student. These students are proud to wear "N's," and they feel that they have done their part in helping to promote and maintain the high scholastic rating which New Albany High School possesses.

No one is pushed to win or earn an "N." This is done on the student's own free will. As each year goes by, more and more students receive this prized possession.

New Albany is rated as one of the top schools in the state and these scholarship students are helping to keep it that way.

The club met every Tuesday in Annex four to carry on its regular business meetings and to carry on the club activities.

Members of the club sponsored a Christmas party in the Minerva Room during the Christmas season.

During the year members of the club wrote a play in which students of both languages participated. . The setting of the play was Germany and the cast was made up of several Spanish people visiting the country. Members of the club also acted in this play.

Mr. Calvin Knobeloch is the sponsor of this club. He has been at NAHS for the past two years and has done a very good job in directing and producing the school plays. "Mr. K," as he is better known by the students, has a lively interest in all forms of dramatics. When he came to New Albany he brought a type of production new to NAHS, the "theatre-in-the-round," which has been very popular and successful.

The requirements for membership are as follows: the applicant must earn ten points doing work in the dramatic field; he must try out for the club; he must also have a genuine interest in dramatics.

Left: First semester officers were: Wilma Crowe, Nancy Barnes, Betty Faulkenburg, and Shirley Curts. During the year the club members acted in the school plays, did crew work, and sold tickets for the plays. They also took part in the centennial pageant which was held during graduation week.

The Thespians decorated two floats for the Homecoming Parade. The floats carried the symbols of the club, the masque of comedy and the masque of tragedy.

In May the club held its annual award banquet at the Colonial Manor. At this time awards were given to the best actor and actress. Other awards were presented to the best Thespian and to the outstanding man behind the scenes.

The Blotter, your NAHS paper which had its beginning in 1891, brings news, views, and happenings to the students throughout the school year. It is composed, written, and edited by members of the journalism classes.

The first semester Blotter sales campaign was climaxed with e variety show featuring some of the NAHS students. The second semester campaign featured the Senior-Faculty basketball game.

Five members of the Blotter staff attended the Indiana High School Press Association Convention at Franklin College.

The journalism classes also sponsored the sale of programs during the home football and basketball games. This year they also sold basketball booklets containing pictures and information of the team.

Mr. Edmond Hennon supervised and directed the work of both the Blotter and the Vista staffs.

The Bookmakers

The Vista is edited by an organized staff of journalism students under the direct supervision of their sponsor, Mr. Edmond Hennon.

The annual provides a record of the year's activities for the enjoyment of the students and faculty of New Albany High School.

In keeping with the Centennial Celebration, the title of the 1954 annual was changed to the original title "The Vista."

Testing 1-2-3-4

The Projector and Radio Operators Club was organized in 1951 by Mr. Vernon McKown.

The club met every Thursday in the Radio Workshop to carry on business, to discuss problems, and to demonstrate any new equipment for the members.

In order to become an active member of this club a boy must be a sophomore and a visual aids or radio operator. Applications for club membership are accepted in the freshman year, but each applicant is carefully checked by the sponsor and his homeroom teacher before he is granted membership.

The duties of the sophomore members include the showing of sixteen millimeter slide and strip projectors and the showing of films to the social studies, English, language, and vocational classes. They are also permitted to operate the lamp slide projectors and the dual speed transcription player.

The junior members of the club operate any of the school equipment including the public address system, tape and disc recorders, and the inter-communications equipment. These boys also teach the new members of the club the fundamentals of the equipment and how the equipment is operated.

One carefully selected senior is also permitted to operate the ampros arc projectors.

The New Albany Science Club holds membership in the Indiana Junior Academy of Science and the Science Clubs of America.

This year's club made a two day tour of a few Louisville industrial plants during the Easter holidays. The members visited the International Harvester Plant, the Ford Plant, the Tube Turns Company, and the Girdler Research Corporation.

Membership is available to any high school student with an interest in science.

Officers for the past year were: Larry Griesinger, president; Stuart Sherfick, vice president; Eloda Wiltse, secretary; and Pete Clark, treasurer.

Early to Bed, Early to Rise

The Future Farmers of New Albany was first organized in March of 1940. It is a part of the State organization which was founded in 1929, and the National organization, founded in 1928.

The purposes of the club are to develop rural agricultural leadership; to create an interest in the intelligent choice of farming occupations; and to participate in worth-while undertakings for the improvement of agriculture.

Activities for the year included presentation of four television programs on the FFA and agriculture, on station WAVE-TV, presentation of nine radio programs on radio station WGRC, a display in the Public Service window, and decoration of a float for the Homecoming parade.

The club also provided a soil and milk test service for the farmers of Floyd County, presented two school displays, and sponsored a safety contest.

In order to become a member a boy must be taking vocational agriculture and be familiar with the purposes of the FFA and the program of work of the local chapter. He must also be able to recite the FFA creed and receive a majority vote from the members of the club.

The New Albany chapter was chosen the outstanding FFA chapter in Indiana at the 25th anniversary state convention. Melvin Knokle was elected district president and section sentinel at the same meeting.

Stop, Look, and Lick 'Em

This could very well be the motto of the New Albany Stamp Club.

Bob Wright and Jim Robinson first organized the club in 1951, for the purposes of aiding in the exchange of stamps, giving information about stamps, and encouraging stamp collecting.

At meetings the club members brought stamps to be auctioned. The club maintained a "penny box." Every time a bid was placed, the bidding member placed a penny in the penny box.

On February 2 and 16, the club was honored with the presence of speakers from the Southern Indiana Stamp Club, Mr. Theodore Hieatt and Mr. Charles H. Kern, of Louisville.

Officers of the club were: Bob Wright, president; Joe Voyles, vice president; Ronald Endris, treasurer; and David George, secretary.

Swing Your Partner

"Honor your pardner and alamande left with an 'ole left grand," is a phrase which was often heard by the members of the Square Dance Club.

The purposes of the club are to teach and improve one's square dancing and to have a good time while doing this.

This year's club sponsored two mixers after ballgames, one in October and another in January.

The New Albany Square Dance Club took part in a district square dance in Seymour, Indiana, and several of the members attended the International Square Dance Festival in Chicago, Illinois.

The club is divided into two groups, the beginners square dance group which met on Thursday, and the Jeans and Janes, the advanced group which met on Tuesday.

The Voice of N. A. H. S.

Radio station WNAS-FM, the station owned and operated by and for the boys and girls of the city of New Albany, can be heard from 1 until 3 p.m. during the week.

WNAS is a member of the National Association of Educational Broadcasters, and as such it received many fine educational programs throughout the school year.

It was the first low power FM station in public schools in the United States. This year the station increased to 1,000 watts which made WNAS the most powerful completely student operated radio station in the country.

The goals of WNAS are improvement of speech, improvement of instruction, and promotion of public relations.

It is unique in the fact that it is operated entirely by twenty-two senior students under the supervision of Mr. Marvin Oakes and Mr. Vernon McKown.

The activities of the radio staff included operating the equipment, writing scripts, and planning their productions and shows.

Members of the fifth period radio staff were Nina Shrader, Barney Pierce, June Denny, Patsy Wedding, Nancy Shallers, Ted Graver, Martha Peck, and Karl Utrecht.

Teen Age Forum

Teen Age Forum, organized in October of 1953, is the newest and one of the most popular clubs in New Albany High School. It meets, alternately with Student Council, every other Wednesday in Annex 1.

A true interest in government and world affairs is an important qualification. Forty students enjoyed active membership in the Forum. It is open to juniors and seniors only.

The purposes of the club are to encourage and promote a student interest in current events and to create a better understanding of our government. The club is strictly a discussion group. Some of the topics for discussion were: The Korean War, Depression and Recession, Communism, and Segregation. The club as a whole takes part in the discussions and debates.

At the first meeting an election of officers was held. The following senior students were chosen on the basis of their leadership, their interest, and their citizenship: Robert Wright, president; Beverly Radcliff, vice president; Carolyn Vance, secretary and Marilyn Cahalan, treasurer.

Plans were made to sponsor a special project. Suggested topics for the project were: Increasing Interest in the Primary Elections, Controlling Traffic after School, and Exchanging Students with Other Schools.

Teen Age Forum is encouraged and promoted by the American Legion. The idea was originated at Hoosier Boys State last year.

New Albany is the first school in the state to offer membership in an organized social studies club.

The purposes of the Future Nurses Club, organized in 1951, are to create an interest in personal and community health, to encourage students to consider the requirements and opportunities offered in a nursing career, and to help students wisely decide what nursing course they wish to take.

Meeting on Tuesday of each week, the girls learn how to give a patient a bath and how to make a hospital bed. They also see films on nursing and getting along with your family.

As guests of the Medical Auxiliary, the club attended a tea at the Country Club.

On November 23, the Future Nurses Club went on a tour through Norton's Infirmary in Louisville. The girls saw how a student nurse lives while in training.

In December, they visited the Kentucky School for the Blind and took gifts to the smaller children.

The club also made another tour to the General Hospital in Louisville. The girls were taken through the hospital, visiting the operating room, men's ward, women's ward, and the premature nursery.

The Future Nurses also sponsored a buffet dinner for the girls of the Future Nurses club of Jeffersonville in March.

Give and Serve

The Junior Red Cross is a new club, organized this year by Mrs. Sheila Knobeloch, the sponsor.

The club's purpose is to provide an opportunity for participation in an active and responsible social agency which deals in community and world affairs.

The club was active in working as hostesses for the bloodmobile, sending gift boxes to the children overseas, and making scrapbooks and favors for hospitalized soldiers.

Club membership is open to students of all grades and ages. Sufficient interest in the club's activities was the only qualification for membership.

During the summer, the Senior Red Cross sent Betty Stepro and Norma Wimp to a Red Cross training camp at Miami, Ohio, in order to help in the organization of the present club.

Through service and study programs, training courses, and participation in the business of the club, the members learn how a social agency works and also find an outlet for their desire to take an immediate, active, and responsible part in community and world affairs.

The members collected materials, packed and mailed gift boxes overseas to children of the grade school age, and made scrap books which were sent to several army hospitals. Tray favors for St. Patrick's Day and Easter were also sent to children's hospitals in Louisville.

The officers for the past year were: Robert Elliott, president; Sue Cummins, vice president; Mary Jane McKim, secretary; and Jane Dickman, treasurer.

The Girls Athletic Association was organized for the purposes of stimulating participation in girls' athletics and the setting of higher standards of sportsmanship and wholesome living.

Their activities included a swimming party at the Henry Clay and an initiation held after each girl had earned 50 points. The letter "N" is given to any girl who earns 150 points.

The club also made trips to Bloomington and Salem to participate in Play Days.

To qualify for membership a girl must be at least average in scholastic standing and must be interested in such sports as basketball, softball, and soccer.

Officers for the year were: Karen Funk, president; Irma Kessler, vice president; and Dot Henn, secretary-treasurer.

The sponsor was Miss Sue Hughes.

"N Men"

The Varsity "N" Club was organized long ago at New Albany High School, but it never seemed to succeed. Until this year, the only purpose of the club was to work out plays for various sports here at the school. This year the club decided to change and to return to the original constitution. Now the Varsity Club has developed into one of the best clubs in the school and carries on many outside activities.

To be eligible for membership in the club, a boy must have at one time earned a varsity letter in one of the major sports, football, basketball, baseball, or track.

The purposes of the club are to develop good morals and clean living and to promote an interest in athletics.

At different times throughout the year the club heard speakers during their meetings. Garnett Inman, who was a fine wrestler in college, talked to the "N" members on wrestling. The club also had Alex Wood, the coach of the Louisville hockey team, who brought a few of his players to demonstrate the game of hockey.

The Varsity Club also presented an assembly with a film of the Harlem Globetrotters which was narrated.

The officers for the year were Tom Walker, president; Charlie Boardman, vice-president; and John Moody, secretary-treasurer.

Mr. Forrest McCaffry, head football coach, was the sponsor.

The purposes of the club are to encourage better marksmanship, safety with fire arms, conservation training, and sportsmanship.

Activities for the year included a twelve week basic training course and participation in the state matches held last March.

The club also attended the National Matches during the month of April, and the Postal Matches in November, December, and February.

Membership is available to any high school student who will take active participation and who has completed the basic training.

Officers for the past year were: Glen Jackson, president; Richard Frazier, vice president; Carolyn White, secretary; and Raymond Berry, executive officer.

The Merry Jugglers

The Tumbling Club was first organized ten years ago by Mr. Floyd Henry.

The purposes of the club are to provide specialized activity for those who are inclined to have ability and control of bodily movements and to provide a source of amusement for the members.

The club met every Thursday during the homeroom period to learn and to practice various formations.

In order to qualify for membership a boy must have the willingness to learn and be in good health. Membership is available to any boy in high school.

During the month of May the members of the Tumbling Club took part in a city-wide play day at S. Ellen Jones School. This event was sponsored by the physical education departments of the participating schools.

The club consists of twenty-eight members, sixteen freshmen and sophomore boys and twelve junior and senior boys.

The officers for the past year were as follows: LeRoy Miller, president; Bill Deuser, vice president; Earl Bertrand, secretary; and Bill Holderman, treasurer.

The Junior Boosters form a red and white "JB."

Go, Bullpups, Go

"Fight, Bullpups, fight!" This was a phrase one often heard while viewing any of the Junior Varsity games.

The Junior Boosters with the assistance of the Junior Varsity cheerleaders support the Junior Varsity teams. The club helps to boost all school activities.

This year the club decorated a float for the Homecoming Parade. Members of the club dressed as Shawnee Indians and sat in the "stew" pot while several other Boosters were dressed in football uniforms and wore bulldog masks.

The Junior Boosters also sat in the Senior Booster "N" during the basketball games. Members competed for the seats in the "N" by attending Junior Varsity games, by trying out for J.V. cheerleaders, and by composing pep songs. This year twenty Junior Boosters earned regular seats in the "N."

The J. V. Cheerleaders and the Junior Boosters also participate in the pep sessions by leading the freshmen and sophomore students in yells.

Junior Varsity Cheerleaders are selected from freshman or sophomore girls who try out for this position. The cheerleaders for this year were Mary Lou Gibson, Marcia Wrege, Catherine Jo Ellis, Roberta Roy, Ruth Ann Ehalt, and Sharon Rouck.

This year the club members joined the Senior Boosters for their annual picnic at Spring Mill Park.

The club also sponsored two candy sales to pay for the J. V. cheerleaders expenses.

After the Vincennes basketball game the club sponsored a mixer.

At the close of the basketball season the club gave a party which was held at the Three C's.

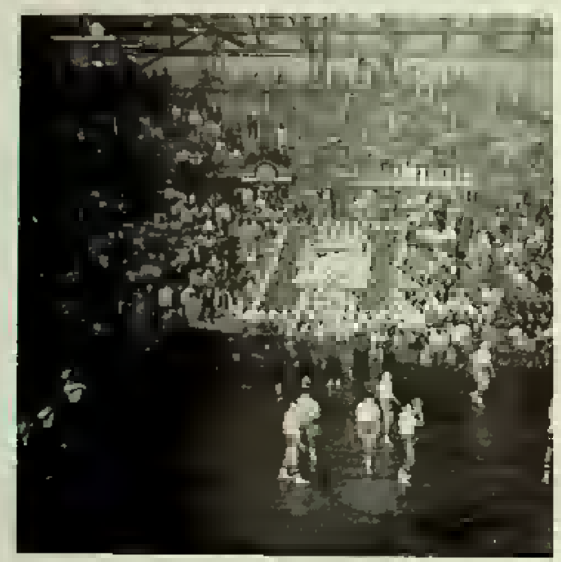
The Booster "N" displays our Bulldog as the band strikes up the school song at a seasonal game.



We're from New Albany

"We gotta win. We gotta win. Let's go!" This ye'l is one of the most frequently used by the Senior Boosters. One would not be mistaken to say that the NAHS Senior Boosters is the most active club in the school. Their red "N" is noted all over the state.

The main purpose of the Senior Boosters is to boost all school athletic events.

Re-organized in 1949, by Miss Alma Fischer, the club has achieved a reputation of good sportsmanship.

Their activities were the forming of the block "N" at all basketball games and attending the football games as a group. They also sponsored a mixer in the girl's gym.

The Boosters form their traditional "N" at one of the seasonal games.

The Senior Boosters gave a pep session on the Friday before the Regionals. The club went to great expense to fly in cheerleaders from Oolitic, China; Seymour, Hawaii; and Outdated Jeffersonville.

The club also sponsored the annual "N" picnic for the lettermen and the Booster picnic.

During the Polio Drive the Senior Boosters sold tickets for a Polio Benefit basketball game.

A girl must be a junior or senior to qualify for membership.

Athletics . . .

. . . have helped to develop a wholesome attitude toward competitive recreation at NAHS.

In 1953, NAHS sports celebrated their golden anniversary. 1903, marked the beginning of organized football, with basketball and track following closely at its heels in 1904.

Basketball, football, and track teams have brought many championships to New Albany. The first trophy ever presented to our high school was won by the mile relay team of 1904, in the Louisville YMCA meet.

One of the most sought after school awards is the athletic "N." Two new awards added to the athletic list this year were the C. Gordon Raney Memorial Award, presented to a basketball player for inspirational leadership, and the "N" blanket given to any boy who earns three letters in one year.

New Albany's interscholastic and intramural programs help to foster sportsmanship and competition among the students.

The 1907-1908 basketball team was one of the first of many championship teams.

The trophy-winning track and field team of 1903-1904 was composed of these four boys.

In their assorted uniforms, the 1904 football champs pose for a picture.

Mutts Maul Marauders

The New Albany Bulldogs displayed superior fight and drive in the 1953-54 season by gaining themselves a winning record, the first since 1947. The Dogs opened against Valley of Kentucky with a shaky win of 19-13, followed by an error-filled loss to the Bloomington Panthers, 0-14.

Next the Bulldogs invaded the No. 1 team in Kentucky, the powerful St. Xavier Tigers. The Dogs lost 14-7 in one of the most bruising, hard-fought games in many years of NAHS football.

The following week NA tromped Columbus 26-0 with the combined efforts of backs Walker, Moody, and Bridge.

One week later the Reitz Panthers handed the Bulldogs their worst loss of the season 39-7 at Buerk Field.

Following their defeat, Mac's men romped back with a devastating attack spurred by John Moody and Joltin' John Bridge to submerge the Vincennes Alices, 39-6.

Next the Bulldogs traveled to Evansville to play the Central Bears' powerhouse. Following Walker's pass to Henry for a touchdown, Bowen's conversion pulled the game out of the bag for NA, 7-6.

On the night of homecoming the Bulldogs emerged with a 26-25 victory over the fired-up Shawnee Indians.

Under the inspiring coaching of Forrest McCaffry, the New Albany Bulldogs secured a winning season. An even more proficient squad is expected in 1954, from lettermen Ronald Leach, A. J. Harvey, Ronnie Sparkman, Jim Henry, Tom Tush, Chet Denny, Jim Clapp, Dan Bridge, and Jerry Solomon.

Puppy Play

The Junior Varsity squad came out on top of their schedule in the '53 season with a record of three wins and two losses. The Jayvees had a small but very aggressive team. Their superior speed proved to be the basic factor in achieving their three wins.

The "Little Dogs" were beaten only twice during their season. They suffered defeat at the hands of powerful Male of Louisville, 6-0, in a hard fought game on Buerk Field. The Jayvees were also beaten by the Shawnee Indians, 14-0. During the year they were conquerors of Valley, Jeffersonville, and Central of Louisville.

The team was under the fine leadership of Coaches Stan Sajko and Mike Hoffman.

Stan Sajko, Mike Hoffman, Mark Perrin, and Coach Forrest McCaffry discuss some sound strategy for the coming football game.

Leading cheers for NA this year were Sue Lefler, Ronnie Snook, Janet Leuthart, Carolyn Rippy, Karl Utrecht, and Susie Walker.

Let's Get Hep

The cheerleading squad this year was composed of four girls and two boys.

Carolyn Rippy, a senior, was captain of the squad. She and Karl Utrecht, another senior, have been members of the team for two years.

Sue Lefler and Ronnie Snook were juniors; they also were serving their second year as cheerleaders.

Janet Leuthart and Susie Walker, both sophomores, led yells for their first season in 1953-54.

Miss Alma Fischer was the sponsor of the cheerleaders.

Flashy Floormen Score

Coach Johnny Givens' hoopmen emerged from the regular season with 13 wins against 5 losses.

In their first game the Bulldogs swamped the Corydon Panthers, 79-52, to avenge their loss suffered a year ago. The following week New Albany gained its second win in the NAHS gym by crushing the Bedford Stonecutters, 64-52.

Next the "Dogs" traveled to Martinsville to send the Artesians down the drain, 50-45. Although the Givensmen dropped their game to the Anderson Indians, they displayed a good second half comeback. New Albany racked up its fourth victory by smothering the Vincennes Alices, 83-64.

After a brief lead at Washington, the Bulldogs were chopped down, 68-57, by the Hatchets.

Then the Bulldogs nipped Male, 56-54, in a ragged but hotly contested battle.

New Albany scooped in their seventh win over the Memorial Tigers by capitalizing on free throws.

After losing to Broad Ripple, the Bulldogs won their next three games from Madison, Seymour, and Tell City.

The best played and most inspiring game of the season for the Bulldogs was their victory over the Jasper Cats.

The Reitz of Evansville Panthers won over New Albany in a hard fought game. The Bulldogs lost in an overtime, 73-71, to Howe. They then finished their regular season by defeating Central of Evansville and Bloomington.

When tournament time came, the home town boys were ready. They tromped through their sectional without any trouble, but the following week the Givensmen lost to Jeffersonville, 65-46. All in all, the "Dogs" had a fine record.

Bullpups Romp

The Bullpups '53-54 season was a very successful one. They won 14 games and lost only 2. The team showed both speed and rebounding power along with a strong bench in securing a winning season.

They won impressive victories over Bedford, Anderson, Bosse of Evansville, Jasper, and Howe. Their only two defeats were at the hands of Madison and Central of Evansville.

The "Little Dogs" were led by 5'6" Donnie Tucker, who was a scrappy little guard. Don also was a member of the varsity squad. Bill Jorris, Jerry Solomon, and Ed Owens did all the work under the basket for the JV's. They also dressed with the varsity. Dave Chastain, a 5'8" guard, rounded out the fearless five.

George Everbach, Jerry Daily, and Guy Bell were all capable substitutes who could score at will.

Just Beginning

The NAHS freshman basketball team finished its 1953-54 season by racking up seven wins against eight losses. The puppies were paced by forward Maurice Pendleton's high scoring.

In their opening game the freshies emerged victorious by beating the Salem freshmen, 27-17.

After being drubbed by the Flaget Little Braves, 42-28, the New Albany boys overcame the Silver Creek freshmen, 24-19.

The freshies dropped their next three games to Central, St. Xavier, and Holy Trinity of Louisville.

New Albany then trounced Charlestown, 41-20, only to be defeated at the hands of Jasper. In a return game, the freshies squeaked by Holy Trinity, 34-33.

Near the end of January, New Albany was the victim of the Providence Pioneers by a score of 42-31.

The freshies lost their next two return games, 40-32 and 60-35, to St. Xavier and Central of Louisville, respectively.

NA gained revenge over Flaget by trouncing the Braveletts, 50-30.

After sinking Silver Creek, 40-30, the freshies were edged out by Providence in a hard-fought game by a score of 46-44.

The first five on the freshman team were: guards, Jim Emery and Clyde Sloan; forwards, Maurice Pendleton and Jack Hunter; and center, Jerry Harrison.

This year's team was led by the fine coaching of Mike Hoffman.

Big Bats Boom

Coach Stanley Sajko shouts words of encouragement to one of his players.

As big bats boomed and strong arms threw, the Baseball Bulldogs had a very successful season in winning 15 and losing 4. In achieving this great season the Dogs were led by the expert coaching of Stan Sajko. This was the highest number of games won in the school's history.

New Albany rolled up 164 runs while their opponents scored only 78. A few of their greater victories came over Flaget, Male, K. M. I., St. X., and Paoli. The Dogs had a 15 and 3 record going into their last game, which was against Providence. New Albany tightened up and lost to the Pioneers 3 to 0.

Bob Maier led NA at the plate with an average of .357.

Flying Spikes

Coach Thom's track squad came through with an exceptionally fine season. Although the thinlies dropped the Hoosier Relays, they romped back in the Silver Creek — Charlestown meet with 88 points.

After handing Flaget their worst defeat 102 1/2 to 6 1/2 points, the Dogs tromped Manual, 68 to 31.

Then the Bulldogs copped two comparatively easy victories over Salem and Atherton.

New Albany won their Relays for the first time by beating Salem, their nearest competitor, 71 to 57.

Although the Dogs swamped Shawnee 72 to 37, they succumbed to the tough competition in the S.I.A.C.

In the sectional, New Albany again had to overcome Salem 54-3/5 to 41. Other teams present presented little competition.

Dick Roberts, Joe Carroll, Bill Swift, and Bruce Speedy represented New Albany at the State Meet.

One, Two, Three, . . . FORE

With the coming of spring and warm weather, a man's fancy turns to golf. While the baseball and track teams were setting records, the golf boys were doing the same. This year's golf team displayed some of the best playing ever to come from New Albany High School.

High school golf teams usually make some news, but this year's Bulldog team made big headlines. The low firing of Walt Stern and Larry Donahue did much to give NAHS a winning season.

Among their most impressive victories were the sectional at Bedford and the S.I.A.C. This was the first time since 1946, that a Bulldog team had copped the S.I.A.C. crown.

The crew consisted of Walt Stern, Larry Donahue, Ronald Reed, Paul Jenkins, and Guy Jenkins.

Coach Floyd Henry's 1953 Cross Country team came through with a regular season record of one win and three losses. This record may have been better if the Bulldogs' ace, Bruce Speedy, had not been spiked early in the season.

Although the distance men dropped two contests to Charlestown, they managed to win one of their meets with Silver Creek 19-40.

Bob Humphrey's 13th place helped New Albany cop third in the S.I.A.C. meet at Bloomington.

Sweaters were won this year by: Bob Humphrey, Charles Akers, Larry Robb, Bruce Perkins, and Joe Voyles. Letters were presented to Lew Hartley and Bruce Speedy while Adrian McNickel, Jack Wright, Jack Hunter, and Terry Turner received numerals.

People . . .

In high style was this graduation dress worn by Mayme Beers of the Class of 1884.

. . . have played the most important part in the progress of NAHS. Desires for better education and better facilities have helped to develop our school into what it is today.

Our first high school began with two teachers and enrolled 59 students. These students were requested to bow respectfully on entering and leaving a school room when a teacher was present and to be clean in person and apparel; those who were not were not admitted. Students were forbidden to bring bats, shinney sticks, bows and arrows, and other dangerous play things upon the school premises.

Today, 61 teachers and 1791 students make up the population of New Albany High School. Many renowned men and women have served our school and named NAHS as their Alma Mater. Our school's standing is due to the good leadership and cooperation of these men and women.

Administration

Mr. Harry Davidson, Superintendent of New Albany City Schools, and Mr. Glen Barkes, superintendent-elect.

"A Century of Progress" has not just been a theme for New Albany Senior High School's annual, the Vista; it has been a reality. The school has grown in physical size, facilities, and offerings, but most of all, it has grown in its service to society by helping to develop intelligent, well-adjusted youth who are qualified to serve and to lead in a complex world.

The school's progress in the field of education has been no chance affair. It has been the direct result of the combined efforts of an efficient and well-trained staff of teachers, the capable leadership of Dr. Cole, our principal, and our other administrators, and the encouragement and help of the community.

The students and faculty of NAHS are sorry to lose their present leader, Superintendent Harry Davidson, as he moves on to accept another position; however, they are happy to see one of their own administrators, present Director of Vocational Education Glen Barkes, accepting this important position.

The "Century of Progress" has come to an end with the school's Centennial Celebration, but already a new "Century of Progress" has begun, and New Albany Senior High School seeks to serve even better its youth and community.

Advertising . . .

. . . by the merchants and businessmen of New Albany has made our 1954 Vista a success.

Since 1896, when the first NAHS yearbook was published, our city of New Albany has grown in population, size, and business and is now one of the outstanding cities in the state.

The businessmen of our city not only help to publish this book, but they help many of our students to continue their education, to gain experience in the business world, and to learn how to get along with people. This, in turn, makes our students better citizens and aids our community.

We wish to extend to the advertisers who appear in this book our sincere appreciation for their services to our school and our community.

Congratulations NAHS on a century of youth leadership and advancements in education

BUSINESS TRAINING CITED

MANY GOOD POSITIONS, GOOD PAY AND HAPPINESS AVAILABLE TO YOU

People are paid for their ability to produce. The handy man went out with the General Store. Specialized training is necessary in business today. There are unlimited opportunities today for those who earnestly desire to pursue a business career. Choose the kind of position you would like to hold. The Guidance Director at New Albany Business College will discuss with you the needs of business and your potential abilities so you can make the right decision. Then a short attendance in this up to date school with thoroughly educated and experienced teachers and you will be confident, efficient and secure the position you want with good pay and be happy.

WHAT CAN YOU EXPECT TO ACCOMPLISH AT NEW ALBANY BUSINESS COLLEGE?

Success is no accident. You must prepare for a good position, for promotion and more pay. A little time, a little effort and a little money cost will mean thousands of dollars and happiness for you in the future. The Good Lord gave you talents but you must develop them. The best investment for you is efficient training that you cannot lose and that cannot be taken away from you.

Ask any of the thousands of Graduates in the Tri-Cities who are now successful Business Executives, Secretaries, Office Managers, Selesmen, Advertising Executives, Salesmanagers and Company Presidents.

MANY NATIONALLY FAMOUS MEN AND WOMEN ARE GRADUATES OF BUSINESS COLLEGES

Back in 1914 Red Curtice enrolled at Ferris Business College in Big Rapids, Michigan. He started working as bookkeeper, and advanced step by step and was recently elected Acting President of General Motors to succeed Charles E. Wilson, the new Secretary of Defense and whose earnings last year were reported in Time Magazine to be $566,200.00.

In 1890 a young man enrolled in Capital Business College, Salem, Oregon. Last fall he sent an autographed photograph to the College with the inscription "From a former student, Herbert Hoover."

On the rolls of Elmira School of Commerce, Elmira, New York, is the name of Thomas J. Watson, President of International Business Machines, who for years was reported by the Internal Revenue Bureau as earning the largest income of any man in America.

John D. Rockefeller graduated from a Business College and continuously advised people to attend a Business College.

Other students of Business Colleges were: George J. Eastwood, President of Armour and Company; K. T. Keller, head of Chrysler Corporation; Henry Ford, head of the Ford Industries; W. N. Neale, President of the Canadian Pacific Railroad. Irene Galloway who attended an Omaha Business School was recently appointed head of the W.A.C.'s.

It is really up to you to decide how much you are going to be paid and how happy you will be. TAKE EFFICIENT TRAINING AND YOU WILL BE CERTAIN YOU ARE ON THE ROAD TO SUCCESS. Sometimes business training comes to the rescue to support a growing family of children with dignity.

A recent National Survey showed Business Colleges were receiving an average of 17 position offers for each young woman graduate and 8 position offers for each young man. Each efficient, well trained girl can pick her job and working conditions in most places. A really capable girl can go on three interviews and come back with three jobs. The big incomes in the country go to Business Executives, many of whom started with Business College training.

APPROVED FOR ALL VETERANS AND REHABILITATION TRAINEES

"I HAVEN'T TIME" I am prone to say, "but when I analyze my day I find it is no shorter than the day of any other man."

Enroll today for the next classes starting in the subjects in which you are interested.

Well, congratulations to you! In whatever you plan for the future, good luck, and remember — electricity will always be there, ready to serve you.

We are constantly expanding our present facilities and building new facilities to make certain there will always be an ample supply of electric power available.
